FTP Uploading

FERRARICOLOR.COM FTP UPLOADING

If you need to upload a file to our FTP server, you are welcome to use our web site ftp upload.

- Step 1 Go to www.ferraricolor.com
- Step 2 Under "Support", click on "Sending Files (FTP Upload)"
- Step 3 Click "Start Upload Applet (Requires Java)"
- Step 4 Fill the form out in its entirety
The "Name of File" is important so that we can find it on our FTP server
- Step 5 Click "Begin"
Click "Yes" when asked about security
- Step 6 Switch to a different drive under "Local System" by clicking on the folder icon to the right of the directory path
Highlight the file you want to upload
Use the right arrow button to move the file to the remote system
- Step 7 Close the FTP upload dialog box
- Step 8 Notify Ferrari Color or your account manager when you have completed your upload to ensure timeliness of your job
